Benefiting pediatric brain tumor research, the exciting day will include 18 holes of golf, golf cart, lunch and refreshments and a cocktail hour for participants. Awards will be given to the winning team, as well as for longest drive and closest to the pin. Start practicing your accuracy because there will also be a hole-in-one contest!

We're planning an excellent day of fun and friendship for golfers of all skill levels. Best of all, 100% of net proceeds will be given to pediatric brain tumor research. Brain tumors are the second leading cause of cancer-related deaths in children under the age of 20. With your help, we can make a difference and improve treatments.

The First Annual UnlockingBrainTumors.org Charity Golf Event will be held on **Monday, August 18**, at the scenic Highland Park Country Club in Highland Park, Illinois. Tee times start at 1 p.m. Please arrive by 11 a.m. for registration and lunch.

This challenging but fair course is ready to host a full contingent of golfers, so please register today! Better yet, bring a couple of friends or form your own foursome.

Together we can make this a great day for a great cause!
